2. No reduction in fees will be granted in respect of learners who are absent from school for any reason.
3. NWCS requires **thirty days** notice, in writing, if a learner is to be withdrawn from the school. The full fees will be charged in respect of the month for which this notice has not been given.
4. In the event of a pupil/s leaving the school during the course of the year and an upfront payment was made, the school will refund the pro-rata months remaining.

6. No learner will be accepted if there are fees in arrears at other schools or if a sibling's fees are in arrears at NWCS.
